Project Operations Manual means the Project Operations Manual referred to in Part B.3(a) of Section 1 of Schedule 2 to this Agreement, as same may be amended from time to time in agreement with the Association, and such term includes any schedules to the Project Operations Manual; Business Guide, How to Start a Business in Oregon and Laws and Rules.", "Babun, Jr., "A Business Guide to Cuba," CubaNews, Miami Herald Publishing Company, 1996, pp.", "For more information, see Oregon Business Guide, How to Start a Business in Oregon and Laws and Rules: "Electrify Your Business: Moving Forward with Electric Vehicles—A Bay Area Business Guide (www.bc3sfbay.org/ev-guide-for-businesses.html).", "Nevertheless during early 1996 it was reported that the law and order situation was better than at any time during the previous two years.", "For more information, see Oregon Business Guide, How to Start a Business in Oregon and Laws and Rules.", "For more details on enrolling in Apple VPP or Downloading and Distributing apps from the VPP Store, please refer to the Apple VPP Business Guide.", "The Company measures its social performance in accordance with the requirements of the Global Reporting Initiative's Business Guide to the Sustainability Reporting Guidelines.", "Babun, Jr., A Business Guide to Cuba, Cubanews, Miami Herald Publishing Company, 1996, pp.", "The Sponsor will sponsor the publication of the Doing Business Guide for the Market which will be assembled, produced, published and distributed by the Company, and which will name the Sponsor and will include the Copy of the Sponsor in consideration of the payment of the Sponsorship Fee.", "id": "business-guide", "title": "Business Guide", "groups": [{"samples": [{"url": "label": "investmentpolicy.uncad.org", "score": 8}], "snippetLinks": [{"key": "publication", "type": "clause", "offset": [10, 21]}, {"key": "prepared", "type": "definition", "offset": [22, 30]}, {"key": "supplement-to", "type": "clause", "offset": [36, 49]}, {"key": "statement-of", "type": "clause", "offset": [54, 66]}, {"key": "investment", "type": "clause", "offset": [67, 77]}, {"key": "export", "type": "clause", "offset": [82, 88]}, {"key": "policies", "type": "clause", "offset": [89, 97]}, {"key": "revised", "type": "clause", "offset": [105, 112]}, {"key": "from-time-to-time", "type": "clause", "offset": [113, 130]}, {"size": 2, "snippet": "means the publication prepared as a supplement to the Statement of Investment and Export Policies and as revised from time to time.", "hash": "cd33b79953681e40c5383a0a1f4deca", "id": 1}], "nextCurs": ""} id=pagination-first-page> A book of business, in the context of insurance, is a database or "book" that lists all of the insurance policies the insurance company has written. As a client relations management tool, it helps insurers keep track of all of their policyholders, their subsequent coverage obligations, and make relevant business decisions. Books of business also help insurance companies identify what areas are generating the most sales. With this information, the company can organize its top products and clients to determine whom it may want to market to in the future and what types of policies it may want to offer. Books of business are very useful when insurance companies need to reflect on their customer data, follow-up on customer service, and optimize their sales decisions. Share this Term Definition: Open book management (OBM) is defined as empowering every employee of an organisation with required knowledge about the processes, adequate training and powers to make decisions which would help them in running a business. It is all about team work and moving forward collectively. Description: Open book management is defined as one of the most dynamic approaches in running a business. It involves keeping complete transparency with employees, sharing data, training employees to embrace leadership roles as well as sharing financial statements. Research has shown that when companies share distinct details about the organisation with the employees, this process helps them grow faster. Most of the companies where this concept is followed generally figure among the top 10% of the companies. When a company shares sensitive information with employees, it leads to better employee-employer relationship, helps build trust and boosts the morale of employees. Open book management approach is about showing employees' the financial statement data and making them believe that every effort of theirs is getting reflected in the overall numbers of the company. This facilitates in building the trust as well as enable companies in retaining employees.
